### PUBLIC NOTICES

#### IMPORT TRADE CONTROL

New Delhi, the 18th October 1952

**No. 111-ITC(PN)/52.**—In Plant & Machinery Hand Book 1952, Appendix 'A' to Chapter VIII furnishes a list of machinery other than machine tools, the import of which is not ordinarily allowed against licences for machinery. This meant that spare parts and accessories of such machines could not be imported against a licence for unspecified spare parts and accessories. It has been brought to the notice of the Government that certain Importers have imported parts and accessories of the machines specified in Appendix 'A' against licences issued for spare parts of machinery falling under S. Nos. 36(5) of Part II, 4(5) of Part III and 65(5) of Part V of the I.T.C. Schedule. This is, therefore, contrary to the intention of the Government. As the description given against the said sub-items of the Serial No. concerned indicates, the licences granted for component parts, would cover component parts of only such machinery specified in S. No. 36(1-4) of Part II, S. No. 4(1-4) of Part III and S. No. 65(1-4) of Part V of the Import Trade Control Schedule the import of which is permitted.

2. It is notified for the information of the importers that licences granted for unspecified spare parts of these S. Nos. cannot be treated as valid for the import of parts of the machinery items specified in Appendix A Chapter VIII in the Plant and Machinery Hand book, 1952. Where import of spare parts of such machines was desired specific requests should have been made with full justification and giving names of parts and their values. In case it was decided to grant a licence for such parts, either the licence held by the applicants for specified parts would have been endorsed to make them valid for these banned type of parts or fresh licences would have been granted according to the needs of the case.

3. Consignments of component parts and accessories of banned type of machinery items already imported or shipped without obtaining a clarification from the Licensing Authorities have to be treated by the Customs Authorities as having been imported in contravention of the Import Trade Control Regulations. However, in view of the fact that the position was not unequivocally clear, it has been decided that such consignments will be allowed clearance on payment of only nominal penalty.

4. For the future, importers should follow the procedure indicated in para 2 above.

**SUBJECT:—Simplification of licensing procedure for established importers—Registration of Quotas.**

**No. 112-ITC(PN)/52.**—In Public notice No. 45-ITC(PN)/52, dated 26th April 1952, the procedure was explained for obtaining registration numbers from the Jt. Chief Controller of Imports, Calcutta, indicating their best year's imports as verified by that authority. It was also notified therein as well as in Public Notice No. 55-ITC(PN)/52, dated 29th May 1952, that no application for licences for such items should be made until the Jt. Chief Controller of Imports, Calcutta has intimated the quota registration number. On verification from the Jt. Chief Controller of Imports, Calcutta, it has been ascertained that for most of the items the Quota Registration Scheme is virtually complete and the established importers are in possession of the registration numbers. Applications made by the established importers so far for all the articles for which the policy has now been announced will be dealt with by the licensing authorities at the ports on a verification of the original certificates granted to the established importers. If the applicants have not so far informed the licensing authorities of the relevant registration numbers and other particulars they are advised to present the quota certificates in original granted to them by the Jt. Chief Controller of Imports, Calcutta, and obtain their quota licences for the licensing period July—December 1952.

**SUBJECT:—Import of Marble Slabs falling under Serial No. 234 of Part IV of the I.T.C. Schedule during July-December 1952.**

**No. 113-ITC(PN)/52.**—Public Notice No. 107-ITC(PN)/52, dated the 11th October 1952, inviting applications for Marble Slabs (Rough) should be treated as cancelled. No. applications should be made by the established importers and actual users until further notice.

**SUBJECT:—Last date for submission of applications for the import of Refrigeration and Air Conditioning Machinery for July-December, 1952 period.**

**No. 114-ITC(P.N.)/52.**—Attention of Importers is invited to the Commerce & Industry Ministry Public Notice No. 98-ITC(PN)/52, dated 8th September 1952, stating that the last date for receipt of applications for licences for import of goods mentioned above was 15th September 1952. It has now been decided to extend the last date for receipt of applications for these goods till 31st October, 1952. Applications for licences for imports of Refrigerations and Air Conditioning machinery may be submitted to the Licensing Authorities in terms of Commerce and Industry Ministry Public Notice No. 82-ITC(PN)/52, dated 4th August 1952, so as to reach them on or before 31st of October 1952.

New Delhi, the 25th October 1952

**SUBJECT:—Import of Buchu leaves.**

**No. 115-ITC(PN)/52.**—It has been decided that Buchu leaves (understood, to be produced only in South Africa) should not be allowed import against licences issued for drugs and medicines.
